VINTAGE TWEETS:

SUFFRAGE ERA POSTCARDS

VINTAGETWEETSBOOK.COM

Vintage Tweets: Suffrage Era Postcards was released in conjunction with the opening of the National Woman Suffrage Centennial at a book signing in Seneca Falls, NY. The Centennial marked the passage of the 19th Amendment to the U.S. Constitution, known as the Susan B. Anthony Amendment, granting women the right to vote. Susan B. Anthony's 200th birthday will also be celebrated in 2020.

Vintage Tweets is a poignant, amusing and insightful collection of 100 year old suffrage postcards, the social media of the late 19th, early 20th century. Carol Crossed's entertaining narrative explores the meaning behind the illustrations which represent both domestic and political view's of the woman's vote. The coffee table display features 400 postcards from the author's personal collection and tells of the struggle of both support and opposition of the early woman's movement. Vintage Tweets is a tribute to one of the most radical eras in U.S. history.

"This is not just another book of postcards. Vintage Tweets serves to enlighten and refresh our memory on this most significant milestone in democracy, the decades-long campaign to extend the right to vote to women."

- Mary Ann Sachse Brown, Author, Celebrating Women of Leavenworth County, Kansas
Leavenworth Historical Society

"Witty yet poignant, possibly risqué or controversial today, Vintage Tweets, highlights how a cause or fight can be achieved without violence, as relevant today as then."

- Chris Podzuweit, Executive Director
Curator, Seneca Falls Historical Society
